

Event Production & Design

5 Bellingham Trading Estate | Franthorne Way | London | SE6 3BX

Audio Visual Warehouse Equipment Preparation Technician

Reporting Line Manager: Warehouse Manager

The Company:

Light Motif is a London based full-service event production company, providing creative specialised solutions and technical equipment for a wide range of high-profile live events.

The Role:

We have an opportunity for a self-motivated & dependable individual with an eye for detail to join our small dynamic team in the capacity of an **equipment preparation technician**.

This key role involves the testing and preparation of a range of lighting, audio, video and technical equipment, for use on a wide range of high profile live events.

The hands-on role is based at our premises in London SE6 and requires a high level of involvement in maintaining a high standard in the delivery of the company's services.

The role will also involve training, developing and supporting less experienced members of the team and providing a level of supervision to others.

The nature of the events industry will involve an amount of work outside of standard business hours.

About you – vital and desirable skills:

- You will have a number of years of experience in a similar role.
- You will have an interest in technical equipment and a demonstrable ability to service, repair and prepare equipment to a high standard.
- You will have experience of working in a deadline driven environment and be adaptable to short notice changes and objectives.
- A driving licence would be a big advantage but not essential
- Experience of supervising junior staff would be an advantage

Remuneration: £23,500 to £25,000 PA

Application details:

Please apply including a covering letter and a CV to:
